

Welcome back, this is the final newsletter of the year from P3. We hope that you all had a refreshing and enjoyable Easter break. We have really enjoyed hearing about all the fantastic adventures the pupils have had during their holiday. All children seem happy, refreshed and ready to start the last term.

Numeracy

This term we will continue developing numeracy skills. We will be covering:

- Division by 2, 5 and 10
- Information handling
- Fractions
- Area

Please support your child by checking twitter to keep up to date with our class focus.

Please take opportunities around the house to practice these skills.

There are many other ways to support your child's numeracy development: adding up prices at the shops, using odd and even numbers spotted out and about, reading quantities for recipes.

Literacy

This term we will be developing writing skills through:

- Report writing
- Instructional writing
- Narrative writing.

We will continue to use the Active Literacy programme for teaching spelling.

Reading will be taught using a range of texts, including our Bug Club reading scheme.

Please support your child by checking twitter to keep up to date with our class focus.

Please practice reading using www.bugclub.co.uk. There are many other ways to support your child's literacy skills: visits to the library, reading street signs, following recipes etc.

HWB

This term in health and wellbeing we will be learning about:

- Feelings and responsibility
- Looking after our bodies
- Keeping safe

In P.E pupils will continue receive two sessions a week. This term P3 will covering fitness with their specialist teachers and their class teachers.

Please write names on all of your child's possessions. We understand that you find it frustrating when they come home without jumpers, jackets etc., however named items are much easier to return!

If you have any concerns or queries please feel free to get in touch. Appointments can be made through the school office

We hope this newsletter has given you a greater insight into your child's life at school and how you can best support them with their school routine.

**Thanks for your support.
