

Primary 7K

Termly Overview – Term 1 – 2025/26

Literacy & English

Reading: Pupils will be using Reciprocal Reading Strategies (Predicting, Summarising, Clarifying and Questioning) to deepen their understanding of different types of texts. Our class novel is The Final Year by Matt Goodfellow.

Writing: In writing, the children will be focusing on describing bubbles to enhance their descriptive language. We will be learning about and using Proper and Common Nouns, adjectives, and adverbs. We will also be working on procedural writing which we will tie into our topic.

Talking and Listening: We will be working on teaching children to listen skills and our Class novel discussions.

Numeracy & Mathematics

Place Value: We are revisiting how to order numbers, dividing and multiplying by 10, 100 and 1000.

Estimating and Rounding: We are rounding to the nearest 10, 100 and 1,000

Tables: We are revising all multiplication tables previously learned and setting targets for new ones.

Number Bonds: We are learning to recall our number bonds to 10, 20 and beyond quickly and accurately.

The pupils have started completing weekly CLIC Tests. Children should be encouraged to practise their times tables at home to improve fluency. This can be done through Hit the Button.

Health & Wellbeing

Our PE days are Tuesday for our lesson with Mr Haldane and a slot on Friday morning with Mrs Kiddie.

We are learning about the benefits of a Growth Mindset and how this will help our approach to learning and build our resilience.

UNCRC Rights of the month – Article 28, Article 24 and Article 26.

Interdisciplinary Learning & Other

For our IDL topic will be focusing on The Scottish Parliament where we will be learning about democracy and how laws are passed as well as holding our own class elections.

In Music, we are developing our singing voices with Miss Mathews, learning to sing Natasha Bedingfield's "Unwritten".

We have Mrs Paton on a Wednesday and we are replicating the styles of various artists such as Andy Warhol.
