

Primary 1T

Termly Overview – Term 1 – 2026/27

Literacy & English

- **Reading and Spelling** – Pupils will develop reading and spelling skills through the Read Write Inc. programme. This term we will start to upload activities to your child's Seesaw account which link to the current sounds your child is learning.
- **Writing** – Fine and gross motor skills development to support letter and number formation. Activities linked to this will be shared on Seesaw.
- Phonological awareness will be developed through songs, rhymes and stories.

Numeracy & Mathematics

- Please check your child's Seesaw journal to see what we are working on in class. As the term progresses there will be a range of home learning activities shared that can be used to reinforce class learning.
- **Numeracy:** learning to read, write, count and order numbers up to 20.
- **Measure:** using the language of measure, compare and order items using length, height, weight and volume.
- **Time:** days of the week, months of the year, calendars, sequencing events and looking at analogue/digital clocks.
- **Shape:** properties of 2D and 3D shapes.
- **Data Handling:** interpreting simple graphs.
- **Pattern and Relationships:** creating and continuing simple patterns

Health & Wellbeing

Our PE focus this term is Basic Moves and Parachute games. PE days are as follows:

Wednesday	Friday
Class Teacher	Miss Hurst

We use Emotion Works to learn about Emotion Words and Emotion Behaviours through stories and other texts. We also use Bounce Back to teach about and foster resilience in our pupils.

We learn about United Nations Convention on the Rights of the Child (UNCRC) and discuss these using books and other sources. This term we are focusing on Articles 8 (You have the right to identity) and 13 (You have the right to share freely with others what you learn, think and feel by talking, drawing, writing or in any other way that causes no harm to others).

Interdisciplinary Learning & Other

We follow a play-based approach in Primary 1, therefore we follow the children's interests and plan the curriculum accordingly.

This term our focus is Happy Me, Healthy Me exploring how healthy food, physical activity, sleep, emotions and positive relationships help us care for our bodies and minds. Through stories, play, outdoor learning and real-life experiences we will learn how families, communities and people around us help us live happy, healthy lives.

Communication & Home Learning

We will share information about school life and positive learning experiences on Seesaw. Please feel welcome to interact with your child's posts by 'liking' them or commenting on them to support feedback of their progress. This is really motivating for them!

Home learning tasks will be shared on Seesaw throughout the term. Keep your eyes open for QR codes coming home so that your child can access their home learning tasks!

We are also happy to communicate over Seesaw message should you have any queries or to share any exciting news, adventures, or creations from home that your child can then show in class.

Please do not hesitate to get in touch to discuss anything further.

Thank you ☺

Mrs Thomson and Miss Quinton

Dates for your Diary

Monday 7th September – HOLIDAY

Monday 14th September 5.15pm – Parent Council Meeting

Wednesday 16th September – Flu Immunisation Day

Monday 21st September – School Photograph Day

Week beginning Mon 21st Sept – Maths Week Scotland

Friday 9th October – House Treat

Monday 12th – Friday 23rd October – HOLIDAY
