

NURSERY

Welcome back and welcome to our new children. This is the first newsletter for Nursery. We hope that you all had a refreshing and enjoyable summer break. We have really enjoyed hearing about all the fantastic adventures the children have had during their holiday. All our children seem happy, refreshed and ready to start this important year.

Numeracy

This month we have been learning and exploring how routines and events in our world link with times and seasons. We have been learning about the days of the week during our calendar time and we have loved learning about the colours of the rainbow. This is our favourite song, at the moment.

Literacy

The children are learning when it is their turn to talk or listen and are using good listening to learn new things.

Children are learning to choose story books and share what they liked or disliked about the story.

Each week we will be exploring a new interactive story bag too!

HWB

The children have been settling into nursery and are making friends with our new boys and girls. They have been learning all about sharing and taking turns around the nursery.

We are using our outdoor area, daily, in all weathers! Please remember to dress your child for the weather ☺

Nursery

Pupil Voice

"the granny doesn't go to school, 'cause she's a grown up!" Cassie

"we can't make a camp fire, it will get all wet!" Lucas

"The new room looks cool!"

Teacher Talk

Dates for your Diary

Remember to check the notice board in the cloakroom, Twitter and for letters regarding upcoming dates for your diary. There's lots going on over the next few months ☺

We have some new faces in the nursery. Mrs Kerr is our nursery teacher, Mrs Gill is one of our early years officer and we have 3 new students from Forth Valley College, Miss O'Connor, Miss Gray and Miss Edwards.

Our new trial for flexible hours is up and running! We would love any feedback you may have on this. The children have adapted really well and are enjoying the school lunches ☺

If you have any old pots, pans etc that we could use in our mud kitchen, we will gladly take them off your hands.

We are, already, beginning our transition programme for our Primary 1 children for next August. Keep a lookout for exciting developments!

A wee reminder that the activity money (£2 per child) should be paid, at least, weekly. Some people prefer to pay a month in advance. Money should be placed in the child's money bag (found in their tray) and placed in the safe at the signing in area. Your co-operation in this matter would be much appreciated.

Don't forget to follow us on Twitter - @victorianurclas

Thank you again from all the staff for all your continued support in our nursery life!!
